Following the notice issued on March 1st 2010,

The replacement control boxes (joysticks) have been shipped to all dealers.

Please contact your dealer to confirm they have received them so you may pick up your free replacement part.

If you were among these clients that had problems, again, please accept our sincerest apologies for any inconvenience this defective part may have caused you.

We are working hard to ensure the quality of our products and to avoid any similar situations in the future.

Your satisfaction is and will always be our main goal.

Thank you.
