## DRIVELINE 48'' HYDRAULIC LIFT FOR SUB-COMPACT

### BE WELL EQUIPPED THIS WINTER

Gear up your compact tractor with a Berco snowblower and take a bite out of winter. Go through any type of snow and any amount of snow. Berco products make your life easier.

#### FEATURES

#### BENEFITS

##### CONTROLS AT YOUR FINGERTIPS

Hydraulic controls

Uses the tractor's hydraulic controls to lift and lower the blower also to rotate the chute 237°.

##### HYDRAULIC LIFT

The hydraulic lift was designed to reach an optimal height which will allow easy access on a loading ramp.

##### EASY INSTALLATION

Once the subframe has been installed on the tractor, you can leave it on permanently or you can remove it. Hook on the snowblower and the drive mechanism, insert the driveline, connect the hydraulic hoses and have fun.

##### SAFETY

The design of this product includes all the safety decals and guards that will ensure safe use of this product.

##### INNOVATION

The use of a timing belt reduces noise and vibrations. This reliable and performing concept will ensure many years of fun.

Furthermore, the only maintenance this snowblower requires is lubricating the telescopic section in order to make sure the two mobile parts slide easily.

##### ENDURANCE

Subframe and heavy duty quick attach lift system were designed for light commercial application.

## WINTER CABS

### WINTER CAB FOR SUB COMPACT TRACTORS

**THIS IS THE BEST PRICED VS  
QUALITY AS WELL AS  
COMFORTABLE SOFT CAB  
AVAILABLE ON THE MARKET.**

This weather enclosure keeps the operator protected from the icy wind and blowing snow.

The operator works at his ease with ample elbow room.

As an added security measure the rear window is longer so the signal lights are clearly visible.

A must for any sub compact tractor owner.

**NEW**

### TRACTOR WINTER CABS

**COME OUT OF THE COLD AND  
STAY WARM, DRY AND COZY.**

Clearing snow with a cab is the ultimate difference. No more snow in the face, making you freeze. If you have ever cleared snow without a cab, you know what we're talking about. Its comfort and its price will render it indispensable.

### CAB FOR WALK BEHINDS

**GET THE COMFORT YOU  
DESERVE**

No more getting pummelled by the snow. Stay protected by this cab which makes your snow removal a more pleasurable experience.
